

The Nursery Group – Member Profile

Rockdale Community Nursery

RCN was established in 1994 and supplies wholesale plants to local councils and private developers and landscapers. On a limited basis it also sells directly to the public.

In addition to the Manager, RCN staff consist of 3 horticultural supervisors and 14 supported employees.

A “one stop shop” for wholesale plant needs in the inner suburbs of Sydney

- project growing of native vegetation
- wetland plants
