Windara Nursery

Casino Regional Enterprise Development Organisation Ltd is a community developed organisation established in 1989 which oversees the operation of Windara Nursery and Tea Rooms.

Windara has been operating since 1992 in its current location and provides supported employment for people with disabilities to be trained in a wide range of Nursery, Restaurant, Office and Coffee Shop skills.

The operation consists of a purpose built Retail and Wholesale Nursery, Tea Rooms, Restaurant and Function Centre located at 253 Sextonville Road Casino. A Mobile Food Van services the industrial areas of Casino and the Coffee Shop located in Canterbury Street Casino provides delicious morning teas, lunches and afternoon teas

The nursery operations are currently in a phase of redevelopment in terms of staff, infrastructure and product direction. With new management and support staff nursery operation are being geared towards production of Australian natives for the local landscape market as well as the home gardener. Wholesale lines range from 140mm pots to 45lt bags which are predominately native.

In the retail nursery our focus is on providing a range of plants and allied products that reflect the needs and ever changing tastes our customers demand.

We hope that in the medium to long term Windara is able to position itself as a provider of quality green life, service, cost competitive products and employment outcomes that reflect the commitment and enthusiasm we share.
